Cytogenetic analysis in multiple myeloma (MM) shows a significant dose-dependent effect on bone marrow myelomonocytic cells. A correlation between chromosomal aberrations and the prognosis of the disease was established. Clinical response to the cytotoxic chemotherapy is closely connected with cytogenetic and molecular biological factors of tumour cell nuclei. The sensitivity of myeloma cell nuclei to cytotoxic treatment and the probability of MM regression under a certain drug regime may be estimated from their chromosomal status. Martin Brodeur was a standout goaltender in his time. It was the first time the Isles scored a shutout in 10 games. With the win, the Isles have extended their season-high winning streak to five games. New York has improved to 19-11-4 (49 points). "Right now we're playing the way we're supposed to. We're winning games. We're doing everything right." head coach Jack Capuano said. "We're playing under a lot of pressure right now with the injuries and with the guys we've had. I think we're really working at it. It's starting to come together. The sooner it comes together the better we're going to be." Jack Capuano on tonight: "It was a good win for us. We won the game, we got a shutout and we got a road win. It's good to get it and a nice way to start off the second half." #Isles pic.twitter.com/kcyQcJd8Tu — Islanders PR (@IslesPR) October 28, 2018 Andrei Vasilevskiy stopped 26 of 27 shots for the Lightning, extending his shutout streak to 14 games (8-0-6) and his streak of allowing a goal to 49 games (8-8
